A lady living in West Eaton, Madison Co., N. Y., Mirs. Mattle A. Walker, in a recent letter to Dr. Pierce, says: "I write to inform you what your remedies have done for me; but they have helped me so much that I know not where to commence or where to leave off, as I had such a complication of ailments. For three years I had such bad spells I thought that if dying was onlysiust a sleep I did not want to wake and suffer again; I would be glad to have death come any night. I got so discouraged it seemed as if I waild never be well and happy again. I had a, hinatic spells towards morning. Sometimes I feit as if I could not get breath enough to live, had dreadful pains in the top of my head, and was so nervous I felt as if something dreadful was going to happen—I could not tell why either. I could write a dozen sheets full and not tell all the dreadful things I suffered, from female weakness, coustipation, asthmatic spells, and rigenmatic neuralgia.

"I advise all who are suffering not only to use Dr. Pierce's medicines, but to get his advice also, for it has helped me so much I cannot say enough in praise of both the advice and the remedies. I look on your medicines as being a humanity to the right relief."

For nervous troubles and ailments peculiar to women Dr. Pierce's Favorite Prescription is the only proprietary remedy designed by a regularly educated physician.

NEW YORK'S WANING POWER .-At yesterday's meeting in New York of the commission appointed to investigate the decline of the commerce of that port, Clement A. Griscom, jr, of the American Line, presented a memorial, signed by Line, presented a memorial, signed by thirty six steamship companies, in favor of a reduction in the rental of wharf property owned by the city, the deepening of the chan-nel between deep sea water and the inner tarbor, and the building of dry docks by the city capable of accommodating the largest ocean steamer.

At the present time, Mr. Griscom said, if

the Campania or any other ship of her class should be disabled in or approaching that port a serious problem would be presented, as there is no dry docks there large enough to accommodate her.

What does it do? It causes the oil glands in the skin to become more active, making the hair soft and glossy, precisely as nature intended.

It cleanses the scalp from dandruff and thus removes one of the great causes of baldness.

It makes a better circulation in the scalp and stops the hair from coming out.

### If Prevents and it **Cures Baldness**

Ayer's Hair Vigor will surely make hair grow on bald heads, provided only there is any life remaining in the hair bulbs.

It restores color to gray or white hair. It does not do this in a moment, as will a hair dye; but in a short time the gray color of age gradually disappears and the darker color of youth takes its place.

Would you like a copy
